[Back to Homepage](#)

- Pengguna akan diberikan opsi untuk memilih tempat tinggal mereka. Silakan pilih tempat tinggal yang paling sesuai dengan kebutuhan Anda.

# User Onboarding

The image shows a mobile app interface for identity verification. At the top, there is a circular icon with a red and white background and a black 'R' symbol. Below this, the title 'Identity Verification' is displayed in bold black text. Underneath the title, a subtitle reads 'Select your nationality to begin the KYC verification process.' There are two buttons: 'ID Indonesian' and 'Non-Indonesian'. The 'Non-Indonesian' button is selected, indicated by a green dot. Below these buttons is a large red 'Continue' button. The background features a faint map of Indonesia and a hexagonal pattern.

**Identity Verification**

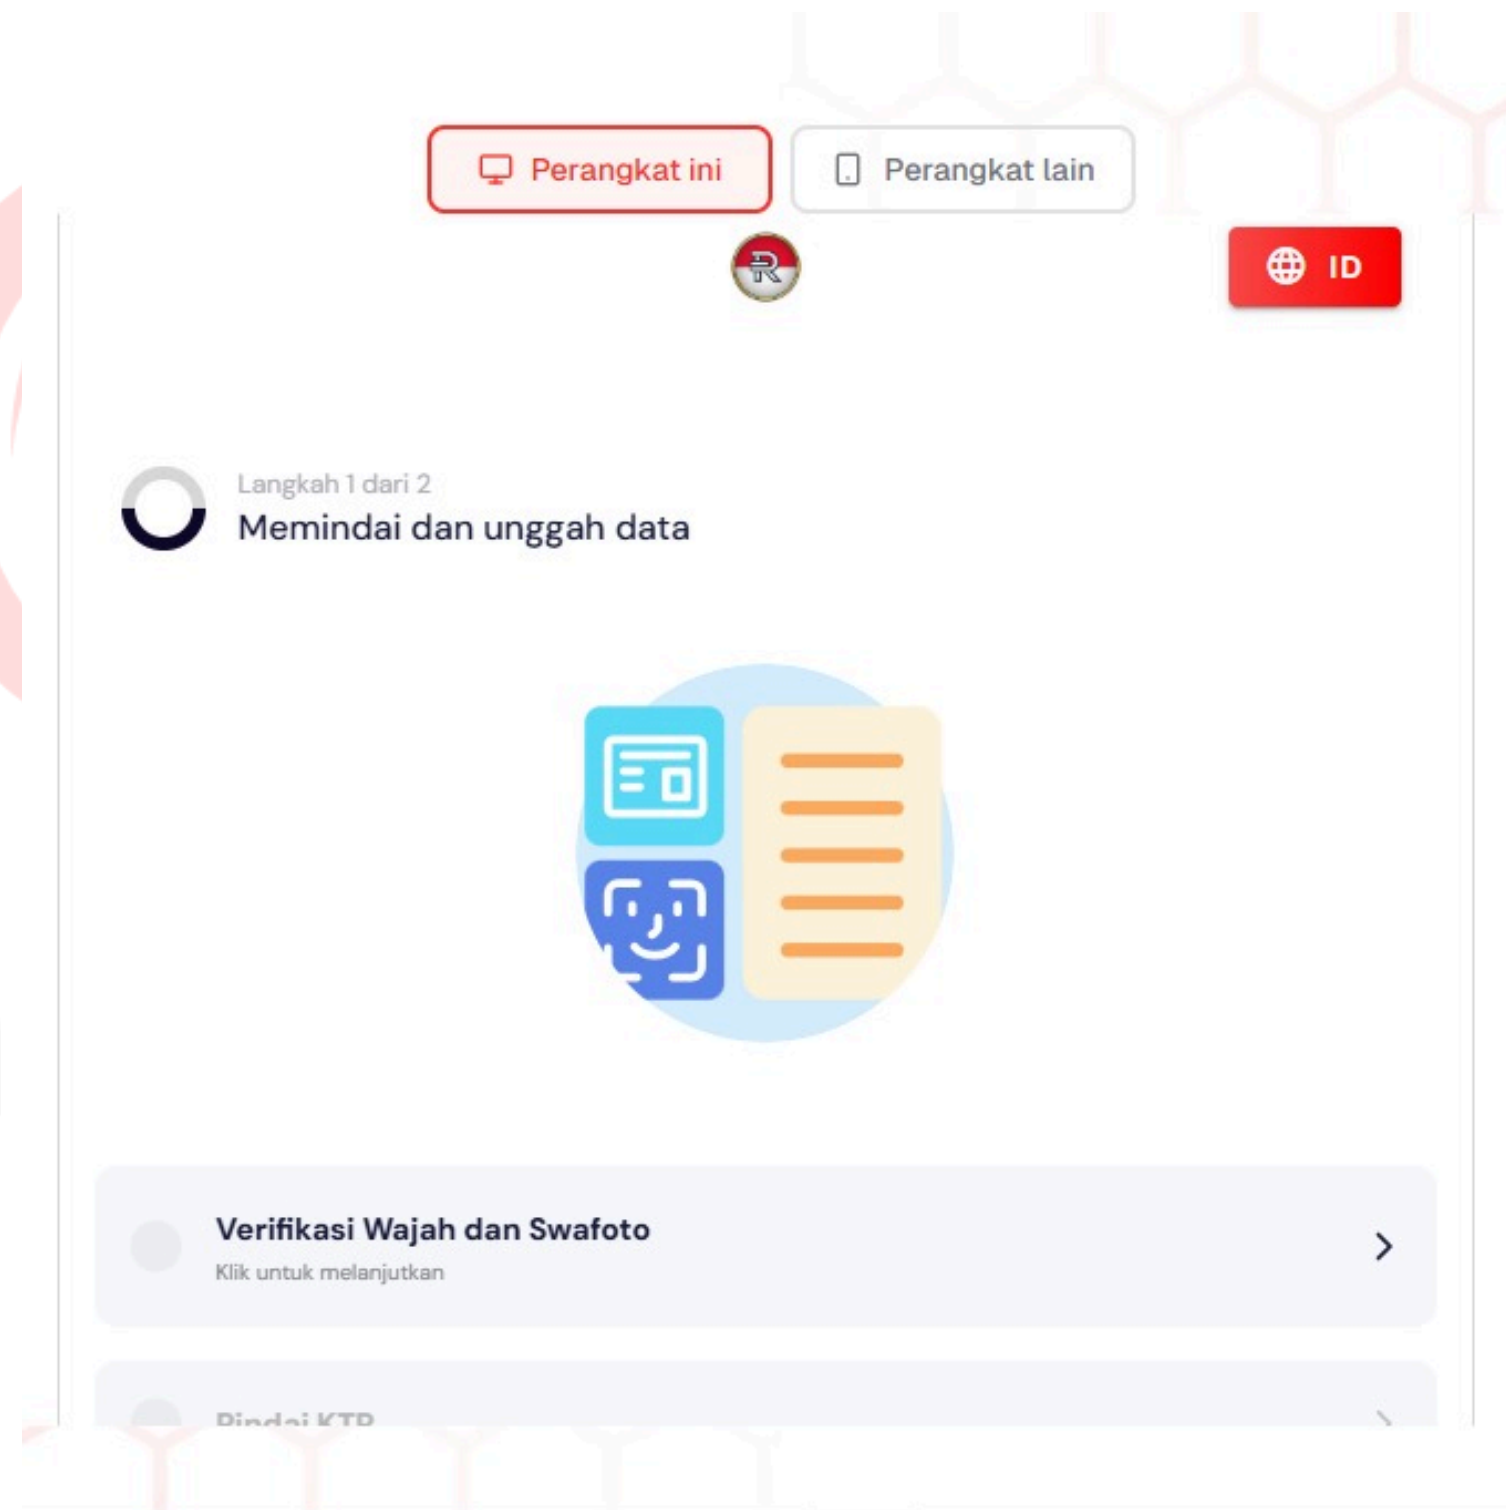

Select your nationality to begin the KYC verification process.

ID Indonesian    Non-Indonesian

Continue

# User Onboarding

- Pengguna akan melalui serangkaian proses verifikasi KYC.

- Setelah proses verifikasi selesai, pengguna akan memberikan rincian rekening bank yang akan digunakan untuk semua transaksi pertukaran IDRP.

# User Onboarding

## Submit Bank Details

Please provide your bank details for the transaction. This information will be used to process your request.

### Bank Name

Provide bank name information of your bank details.

Select a bank

### Account Number

Provide account number information of your bank details.

### Account Holder Name

Provide bank name information of your bank details.

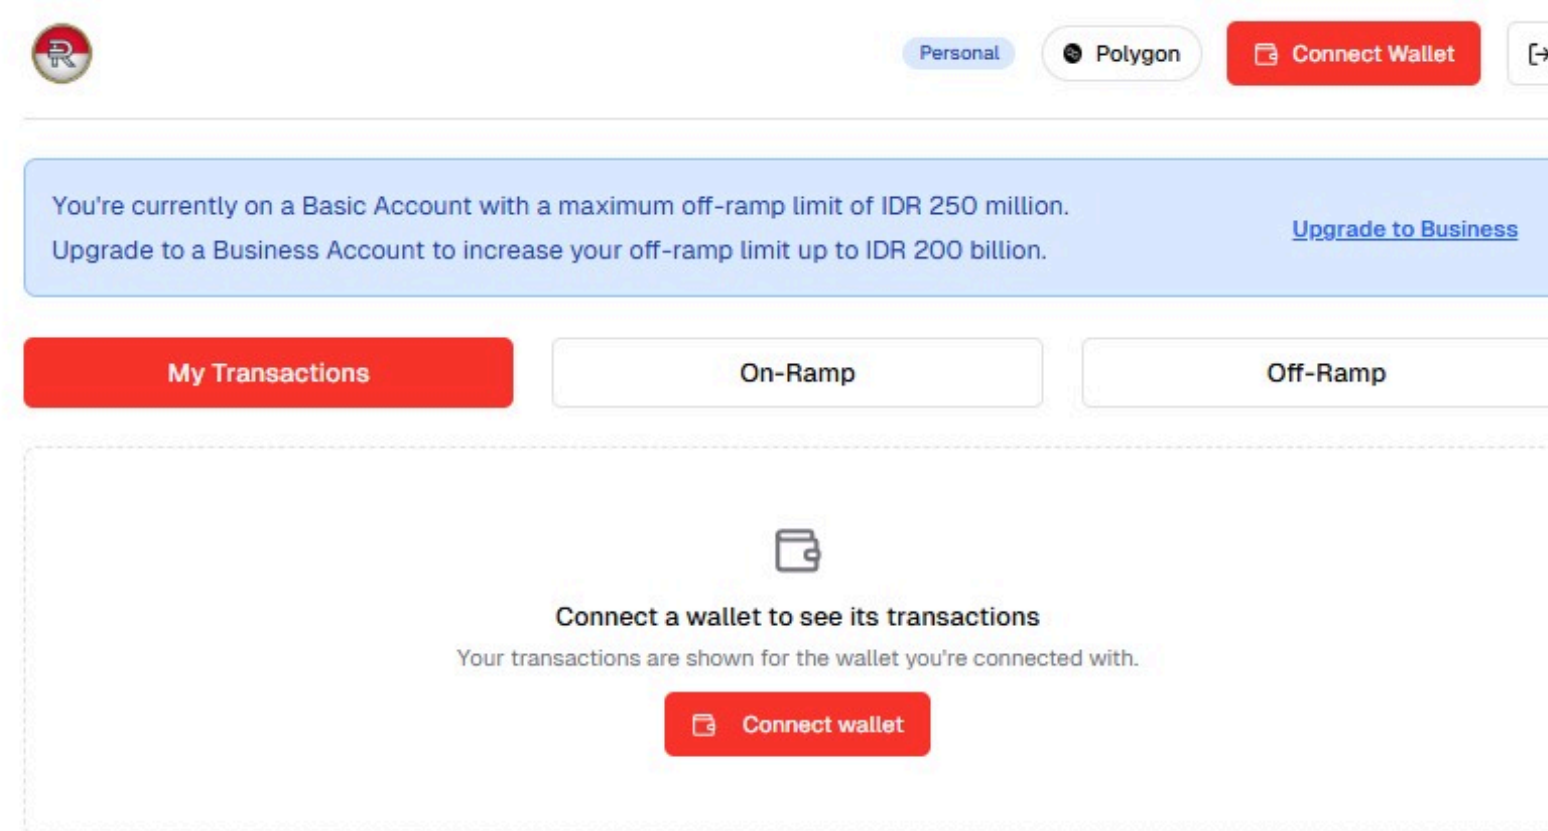

☐ I confirm that the above data is correct.

Submit

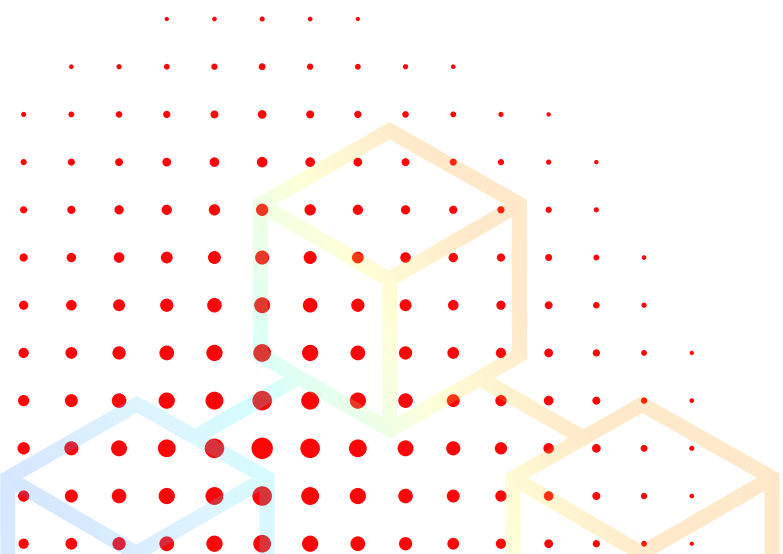

# User Onboarding

- Selanjutnya, pengguna harus memilih "Connect Wallet" untuk mengaitkan dengan dompet yang telah ada.

# 02 IDRП Minting Process

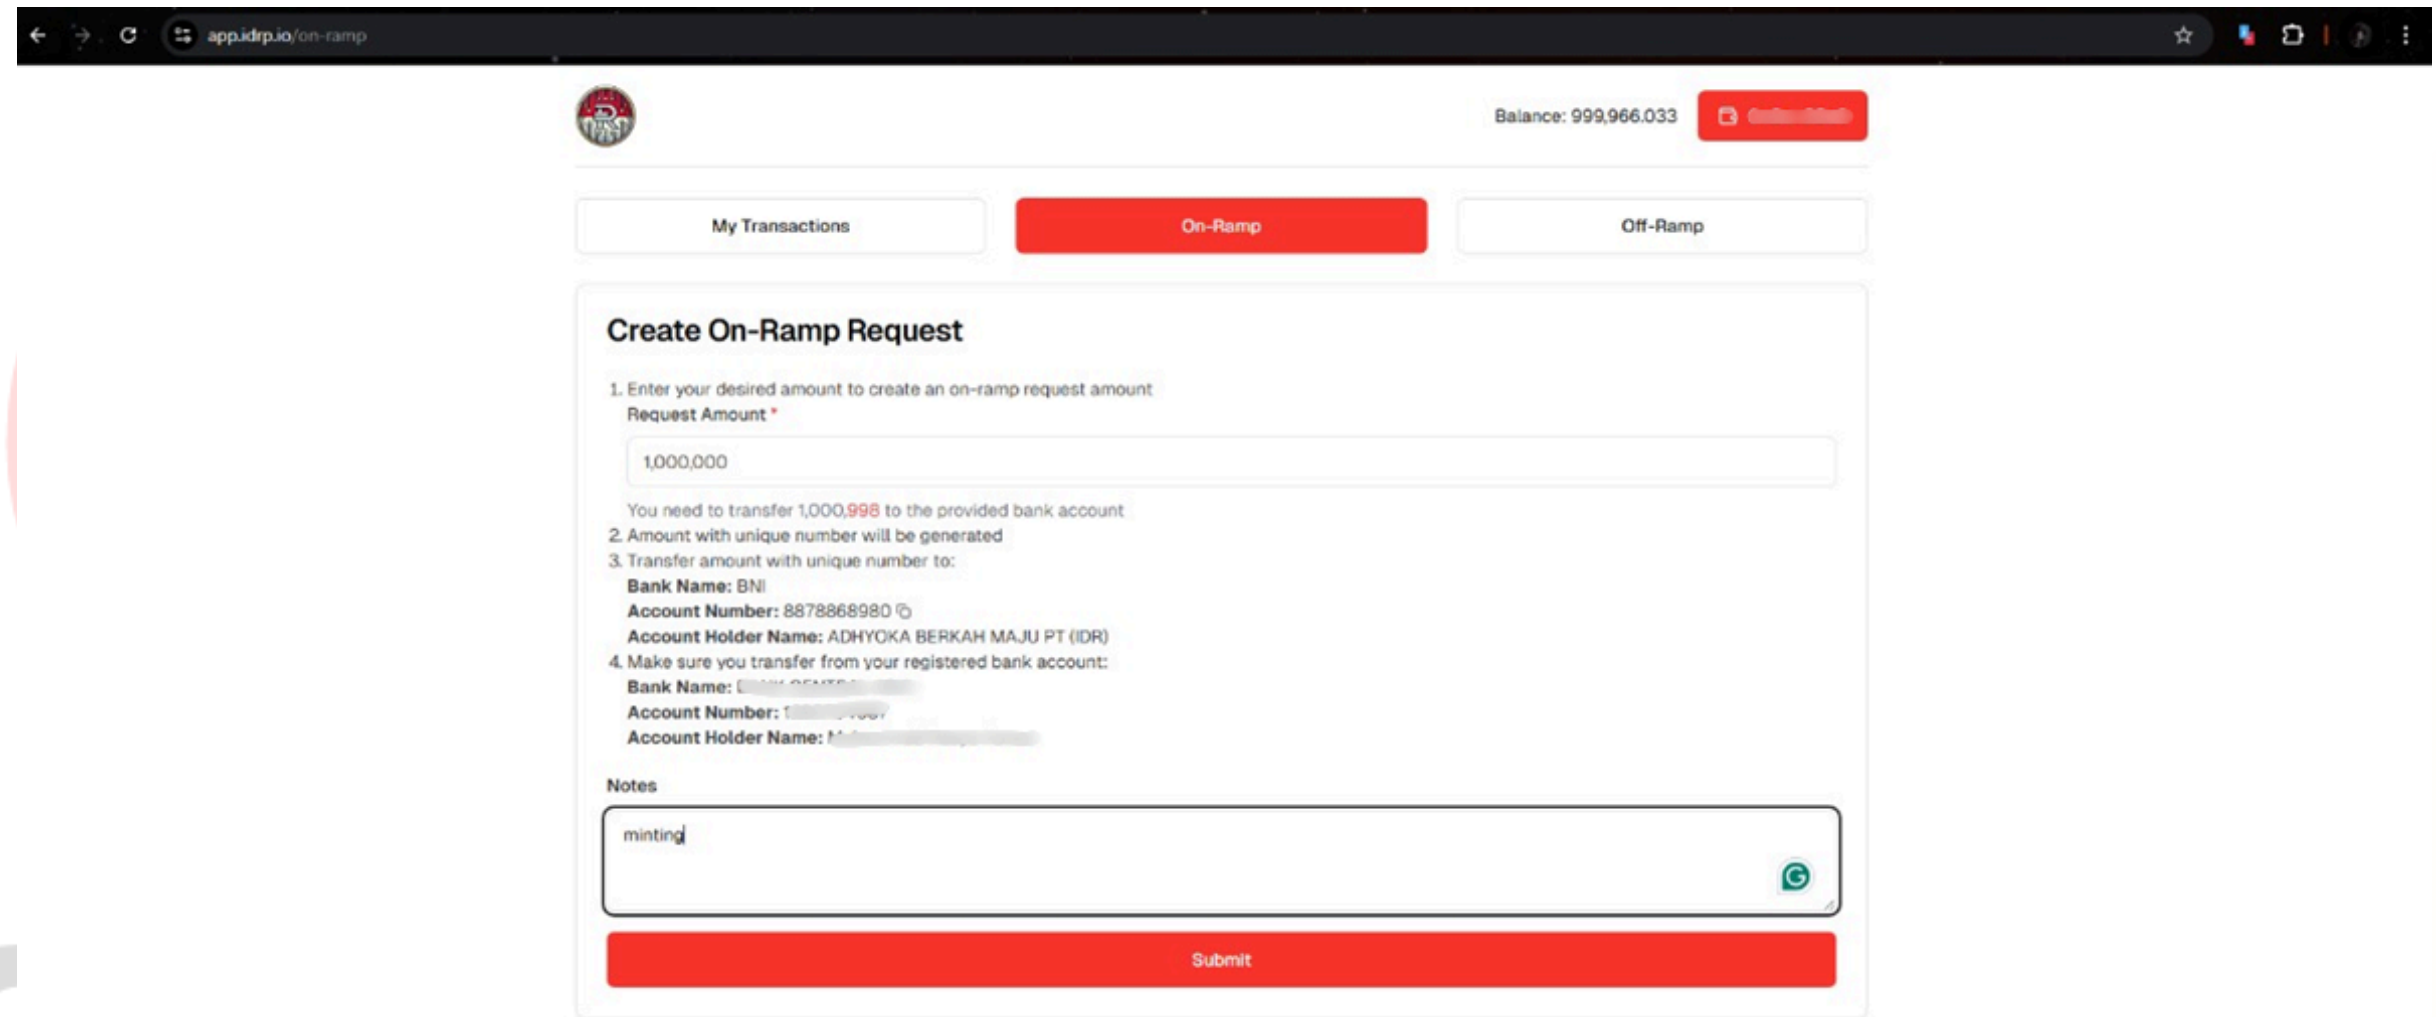

# IDRP Minting Process

- Pengguna akan memiliki tiga opsi yang tersedia di halaman utama: “My Transactions,” “On-Ramp,” dan “Off-Ramp.”
- Silakan pilih opsi “On-Ramp” untuk memulai proses minting.
- Pengguna memasukkan jumlah yang ditentukan untuk proses minting IDRP.

## Catatan:

- On-Ramp: Sebuah rute atau cara bagi individu untuk memasuki dunia mata uang kripto, contohnya dengan membeli aset kripto menggunakan mata uang fiat.
- Off-Ramp: Sebuah metode untuk meninggalkan ekosistem kripto, contohnya dengan mengonversi aset kripto menjadi mata uang fiat.

The screenshot shows the 'app.idrp.io/on-ramp' web interface. At the top, there's a balance of 999,966.033 and a 'Create On-Ramp' button. Below this are three tabs: 'My Transactions', 'On-Ramp' (which is highlighted in red), and 'Off-Ramp'. The 'On-Ramp' tab contains a 'Create On-Ramp Request' form. The form has four steps: 1. Enter your desired amount to create an on-ramp request amount. The 'Request Amount' field is set to 1,000,000. 2. Amount with unique number will be generated. 3. Transfer amount with unique number to: Bank Name: BNI, Account Number: 8878868980, Account Holder Name: ADHYOKA BERKAH MAJU PT (IDR). 4. Make sure you transfer from your registered bank account: Bank Name: [redacted], Account Number: [redacted], Account Holder Name: [redacted]. There is a 'Notes' field with the text 'minting'. At the bottom of the form is a red 'Submit' button.

# IDRP Minting Process

- Setelah pengguna memasukkan jumlah yang ingin diminting, mereka akan diberikan opsi untuk memilih metode pembayaran melalui Nobu Bank, Akun Virtual, atau BNI.

### Create On-Ramp Request

Top up IDRP by transferring Indonesian Rupiah. Enter an amount to see your available payment method.

Request amount \*

Rp **1,000,000**

Payment method Choose one of 3

Pay to an auto-issued virtual account, or transfer manually to one of our bank accounts.

**Nobu Virtual Account****Rp 1.000.000**

We issue a virtual account number for this request. Pay the exact amount from any bank and your IDRP is credited automatically.

**Transfer to Bank BNI****Rp 1,000,209**

Transfer the exact amount to our account at this bank.  
Account details on the next step.

**Transfer to Nobu Bank****Rp 1,000,209**

Transfer the exact amount to our account at this bank.  
Account details on the next step.

### Request summary

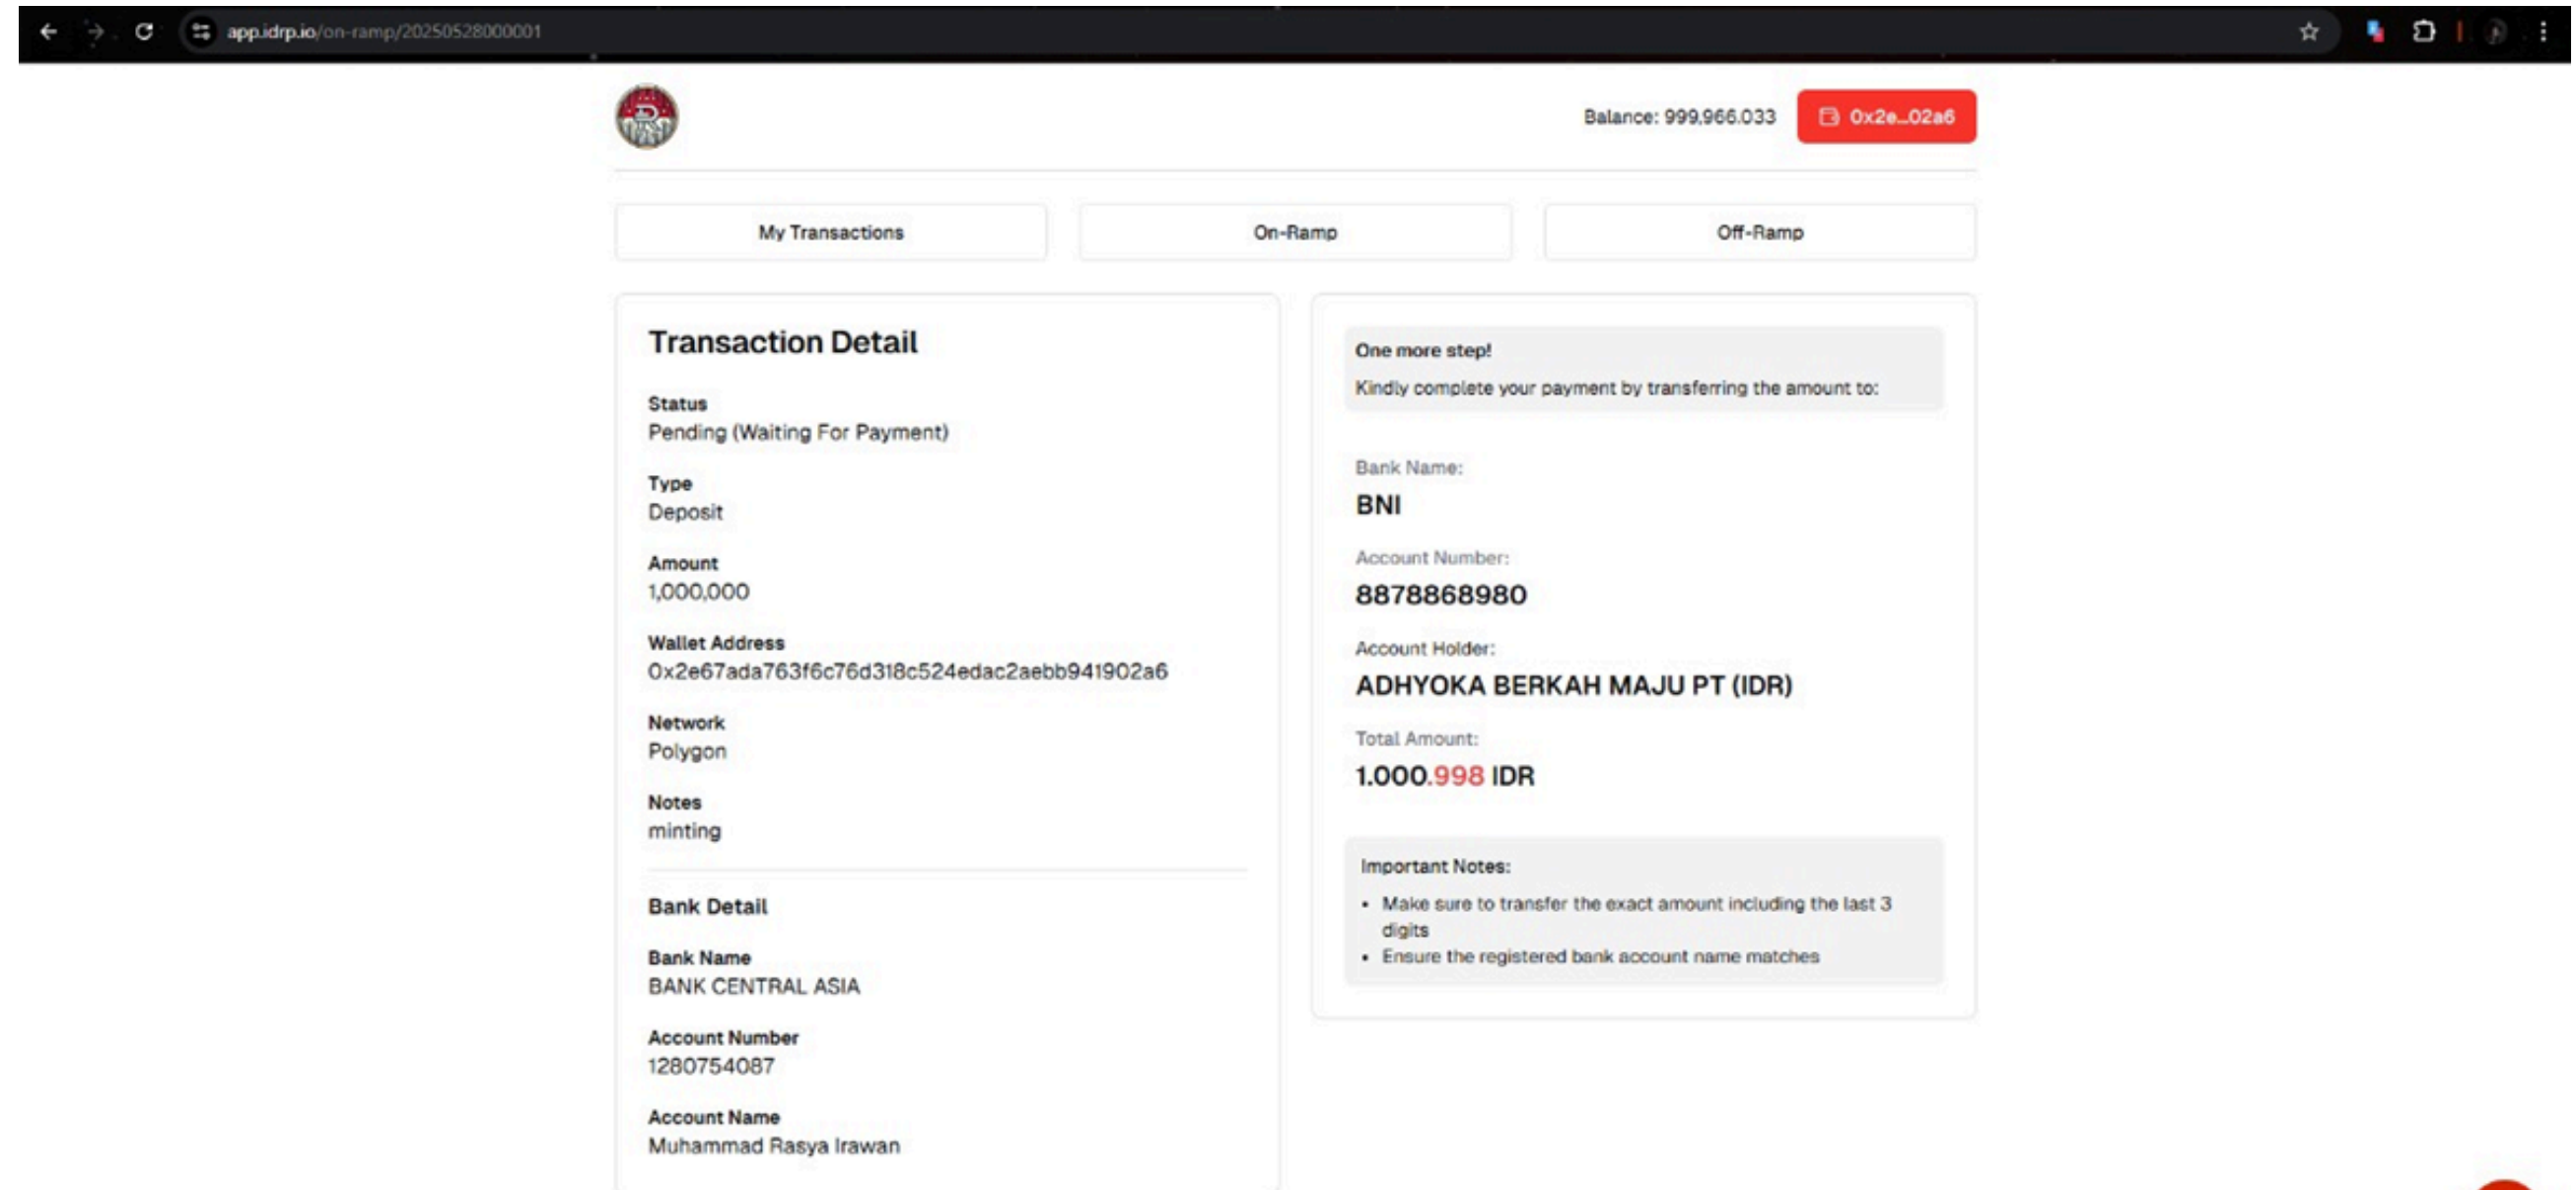

Request amount **Rp 1.000.000**

Payment method **Nobu Virtual Account**

Total to transfer  
**Rp 1.000.000**

- Pengguna akan mendapatkan petunjuk untuk mentransfer dana ke Rekening Escrow Adhyoka Berkah Maju sesuai dengan jumlah yang ditentukan di situs web IDRP. Jumlah ini akan mencakup tiga digit tambahan setelah jumlah yang dikirimkan oleh pengguna. Selanjutnya, Admin IDRP akan melanjutkan proses pencetakan IDRP.

# IDRP Minting Process

The screenshot displays the 'On-Ramp' section of the IDRP application. The top navigation bar includes 'My Transactions', 'On-Ramp', and 'Off-Ramp'. The 'On-Ramp' section is active, showing a 'Transaction Detail' box with the following information:

- Status:** Pending (Waiting For Payment)
- Type:** Deposit
- Amount:** 1,000,000
- Wallet Address:** 0x2e67ada763f6c76d318c524edac2aebb941902a6
- Network:** Polygon
- Notes:** minting

Below the transaction details is the 'Bank Detail' section:

- Bank Name:** BANK CENTRAL ASIA
- Account Number:** 1280754087
- Account Name:** Muhammad Rasya Irawan

To the right of the transaction details is a 'One more step!' section with the instruction: 'Kindly complete your payment by transferring the amount to:'. It lists the following bank details:

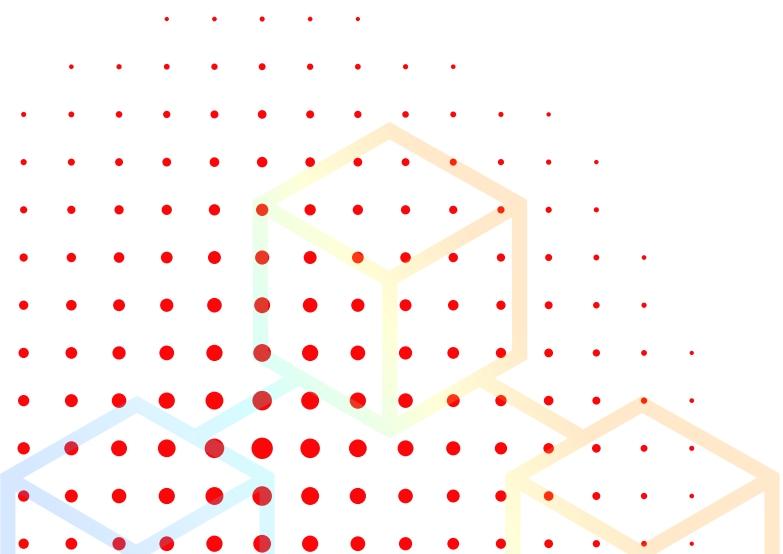

- Bank Name:** BNI
- Account Number:** 8878868980
- Account Holder:** ADHYOKA BERKAH MAJU PT (IDR)
- Total Amount:** 1.000.998 IDR

Below this is an 'Important Notes' section with two bullet points:

- Make sure to transfer the exact amount including the last 3 digits
- Ensure the registered bank account name matches

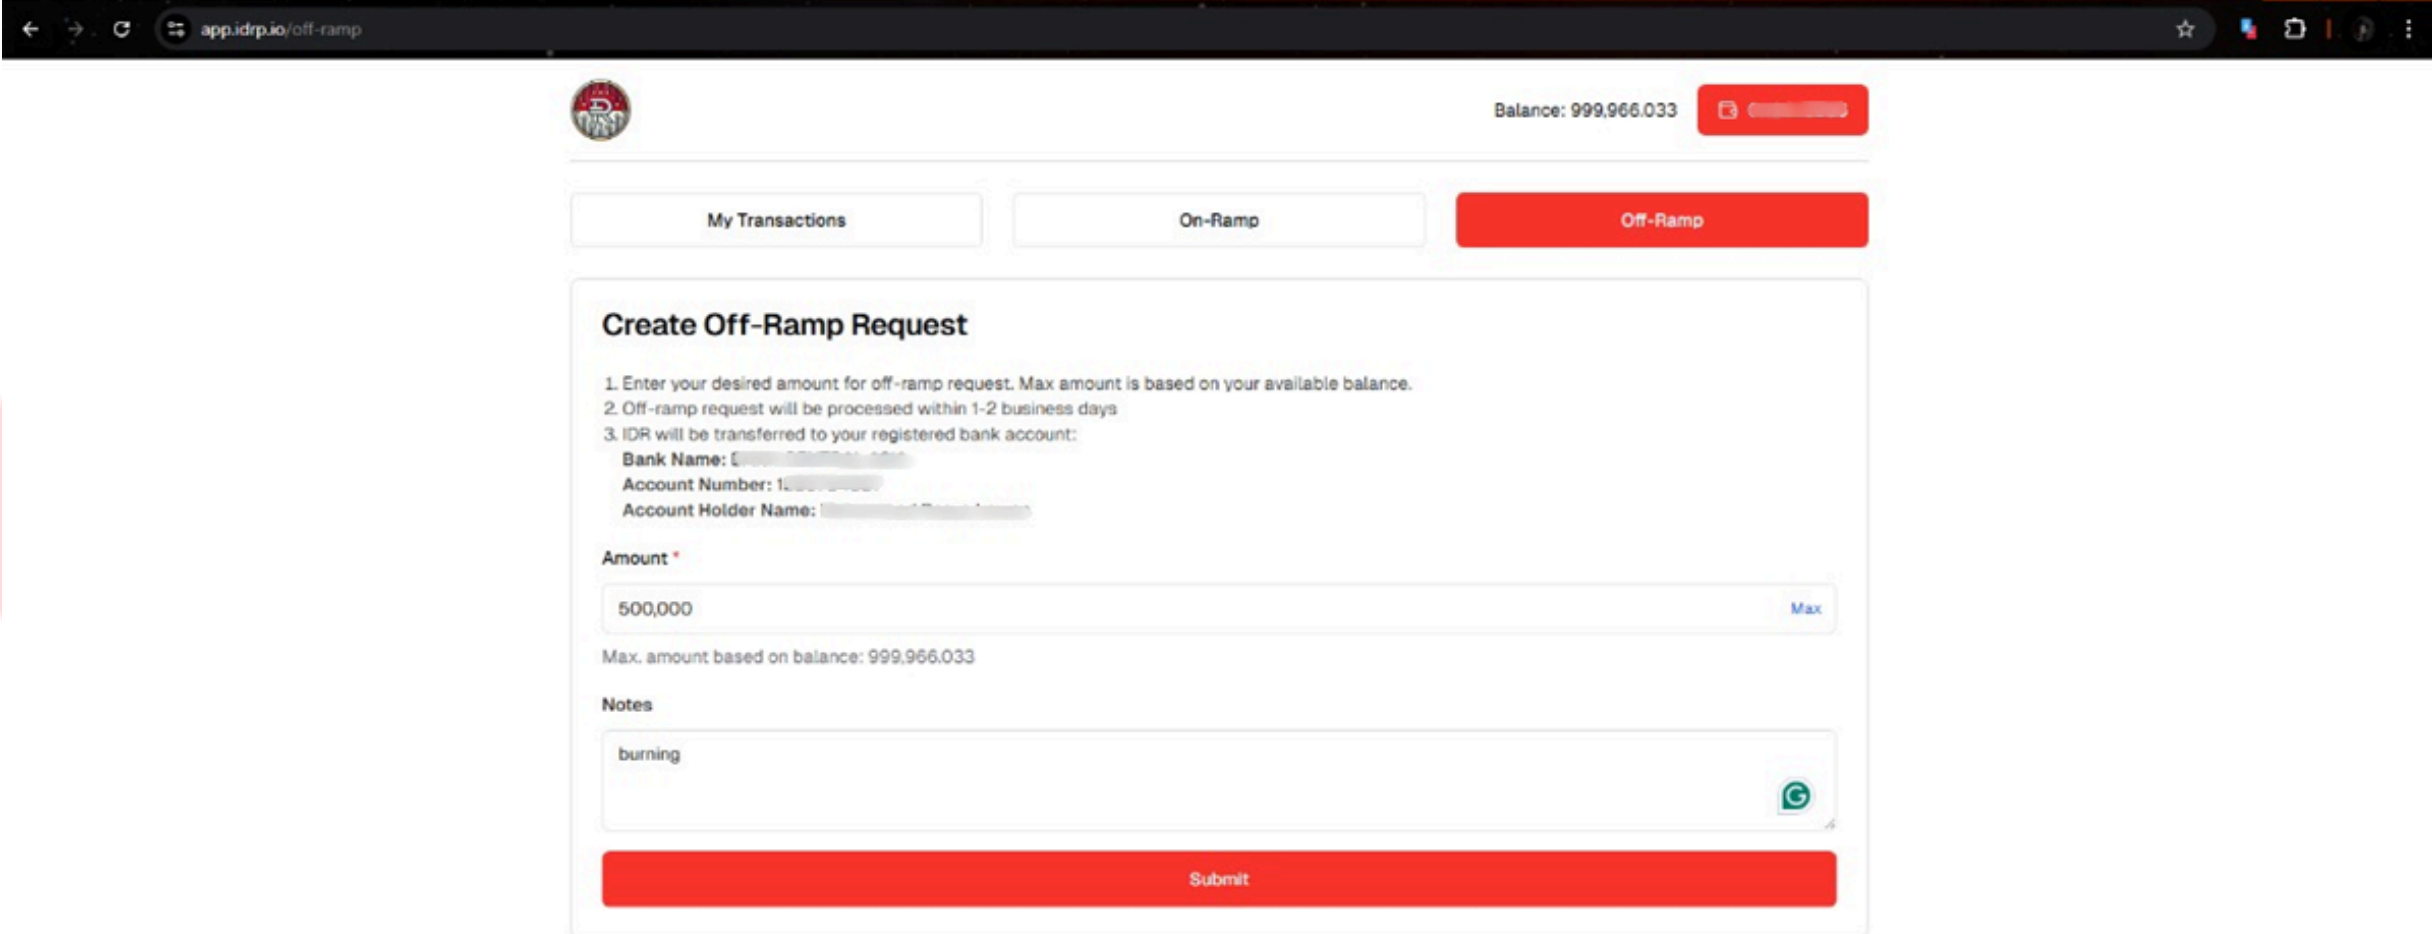

The top right of the interface shows a balance of 999,966.033 and a red button with the text '0x2e...02a6'.

# 03 IDRPs Burning Process

# IDRP Burning Process

- Silakan pilih opsi "Off Ramp" untuk memulai proses burning IDRP.
- Pengguna memasukkan nominal yang telah ditentukan untuk proses burning IDRP.

The screenshot displays the web interface for creating an off-ramp request. At the top, the browser address bar shows 'app.idrp.io/off-ramp'. The page header includes a user profile icon, a balance of '999,966.033', and three navigation tabs: 'My Transactions', 'On-Ramp', and 'Off-Ramp' (which is highlighted in red). The main content area is titled 'Create Off-Ramp Request' and contains the following instructions and form fields:

- 1. Enter your desired amount for off-ramp request. Max amount is based on your available balance.
- 2. Off-ramp request will be processed within 1-2 business days
- 3. IDR will be transferred to your registered bank account:

Bank Name: [Redacted]  
Account Number: 1[Redacted]  
Account Holder Name: [Redacted]

Amount \*  
500,000 [Max]

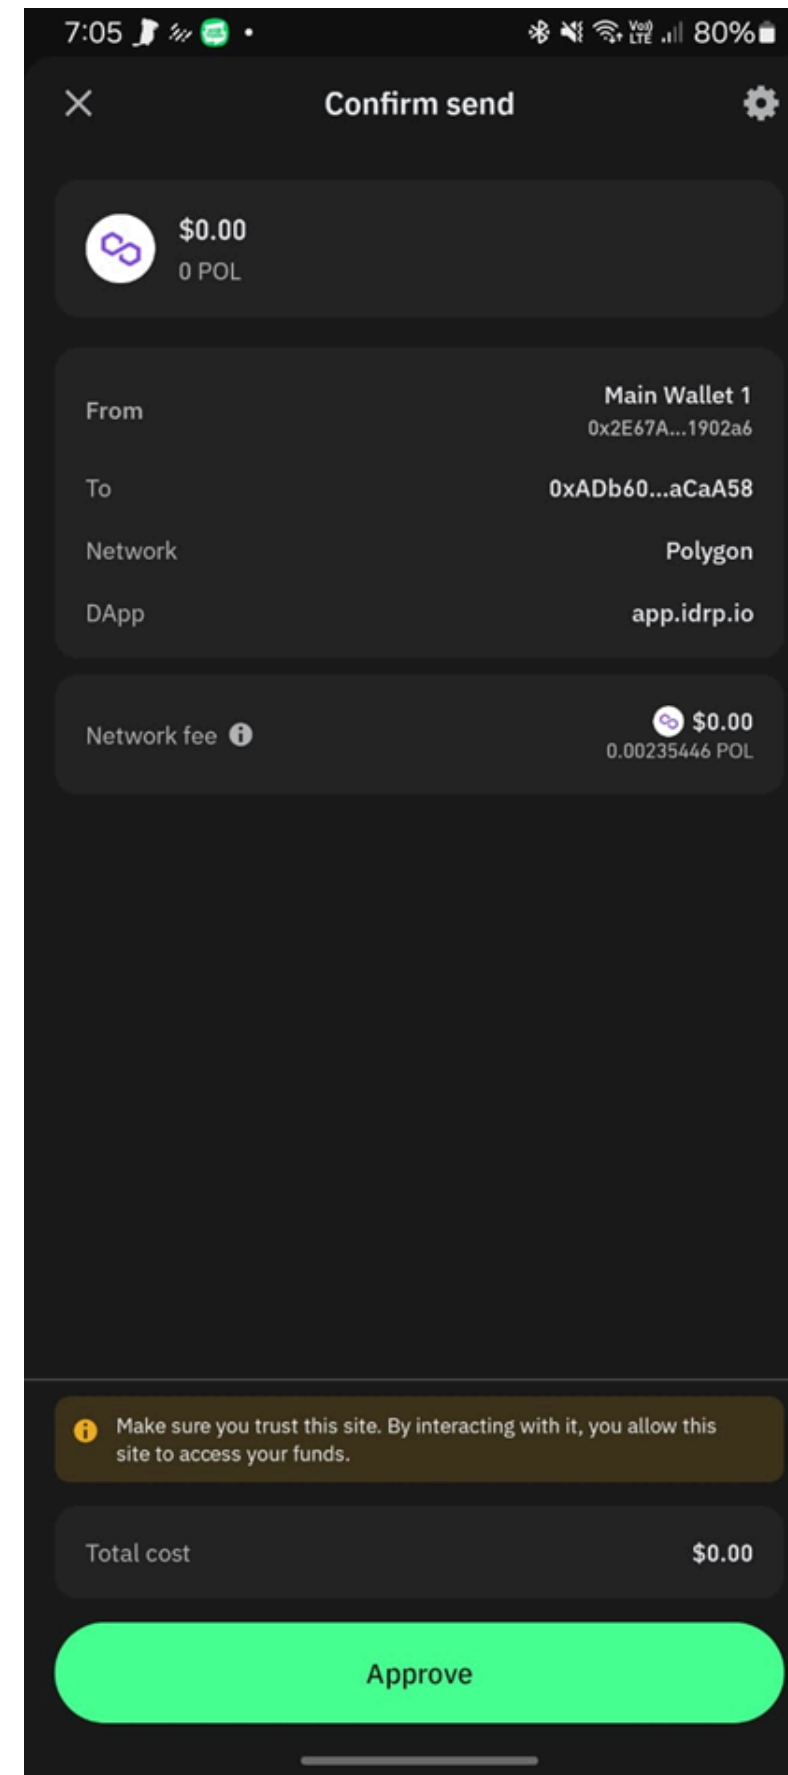

Max. amount based on balance: 999,966.033

Notes
